“Being a member of the EDC was important to me because I believe in the work the BKCEDC does, and it is important to have a voice in how the community grows. Without thoughtful economic development, the economy of a community can become unbalanced, placing a larger tax burden on the residents, so quality economic development is critical.”

**DAVID SPENCER,
PRYTIME MEDICAL DEVICES
BKCEDC BOARD MEMBER**

“Responsible growth takes strategic planning. As an Investor of the BKCEDC, we can take an active role to attract good jobs for our community and maintain our quality of life. BEC’s support of the BKCEDC is a wise investment in our community’s future economic prosperity.”
